Experience

HAZARD CONTROL TECHNOLOGY

Manufacturer Sales Representative from Mexico to Argentina and Caribe Islands

Fayetteville, GA

04/2016 – 07/2025

- Oversaw commercial and engineering operations across Latin America and the Caribbean for a patented fire-suppression technology.
- Spearheaded sales and market expansion, achieving double-digit annual growth.
- Drove adoption of NFPA 18A-compliant solutions in industrial, energy, and emergency sectors.
- Strengthened customer network across 15+ countries, increasing retention and long-term partnerships.

HISEG SRL

General Director

Buenos Aires, Argentina

07/2003 – 12/2022

- Conducted monthly safety audits for OPESSA and YPF service stations, ensuring regulatory compliance at 100+ facilities.
- Designed evacuation plans and fire safety projects for hospitals, universities, and government agencies, including the Judiciary and the Ministry of Labor.
- Trained over 500 employees in emergency response and fire brigade procedures at pharmaceutical laboratories, industries, and public institutions.
- Implemented risk management programs for major banks (HSBC, ICBC, Banco Columbia) and high-tech firms, reducing workplace incidents and strengthening compliance.
- Advised companies in cleaning, transportation, metallurgy, laboratories, and manufacturing, achieving certified occupational safety standards.

ARGENTINA FEDERAL POLICE – FIRE DEPARTMENT

Officer Professional Firefighter

Buenos Aires, Argentina

1992– 2012

- **Operational Firefighter:** Extinguished structural, industrial, and vehicular fires; performed emergency rescues.
- **Fire Prevention Officer:** Conducted risk assessments, facility inspections, and enforcement of safety regulations.
- **Training Officer:** Instructed in fire safety, occupational health, and industrial safety; trained new recruits in operational procedures.
- **Workshop Leader – Fire Mechanics:** Responsible for nearly 2 years for coordinating fire department mechanics, leading maintenance and repair of fire trucks, hydraulic systems, and firefighting equipment.

HERNAN JAVIER DOMINGUEZ
